Company *profile*

1989 was a memorable year, which reminds us that our story began a long time ago. For more than 30 yearS. in this industry, we have been committing our self everyday to manufacture the highest quality bath fittings that can represent the excellence of Indian products around the world.

We have redesigned our self with an aim to enhance and redefine the life style through opulence, and a vision to make and augment the upcoming culture of premium bath fitting design, a global phenomenon. Our Company has been conceptualized to deliver unparalleled service quality.

Nicy Bath fittings is headed by a group of professionals who seek out the best product for our customeRs.. Right from the brand name, to the manufacturing, everything exudes luxury and aims to bring it for our customeRs.. Our business model is such that the end consumer gains a seamless, expert level service without compromising on the quality or cost in mind.

Our latest collection includes contemporary as well as traditional style, that turns your bathroom into the core of your home.

What is our secret ?

Simple, the secret is in the way its made :

Each and every piece is monitored and controlled at every stage of manufacturing cycle.
